- **FOR EX: You could spit on a rock on the Sabbath**, but you could not spit on the open ground because that would be considered “plowing.”
  - **You could not travel more than a certain distance on sabbath day.** BUT if you placed some personal possession at the limit of a Sabbath’s day journey, you could call that “home” and travel an equal distance further.
  - **You could NOT untie a knot of the sabbath...** either for an animal or a pale to draw water from a well. HOWEVER, women could untie an article of clothing on the sabbath. So men would tie their wife’s *brassiere* to a pale or donkey Just to keep the Sabbath!

2. **The Truth HURTS like nothing else—but it also HEALS like nothing else  
The Truth will set you free!**

---

## V. WE CANNOT REDO OUR PAST, BUT JESUS CAN GIVE US A NEW FUTURE!

---

### A. EVEN TODAY WE CAN STAY BOUND BY THE POWER OF THE ENEMY

1. Bound by **GUILT**... unable to get beyond the mistakes of our past
2. Bound by **ANGER**... over how someone mistreated us...  
or how our life didn't turn out the way we wanted it to...
3. Bound by **ENVY**, and **GREED**, enslaving us to constantly be comparing ourselves to others
4. Bound by the **SELFISHNESS** of our **FLESH**:  
*"No one is free who is a slave to his own flesh" (Seneca)*
5. Bound by **ALCOHOL** or **DRUGS** to Self-Medicate our problems
6. Bound by **LIES** that enslave us with our inner-thoughts and Self-Talk
7. There are strongholds of the mind that can keep us bound & enslaved...  
—strongholds of deception we might not even realize (2 Cor. 10:3–5)

### EX: A gospel preacher was seated on an airplane next to a business executive...

- The Executive was BLIND, and Baxter couldn't help but ask what caused his blindness,
- The man said that a business competitor had hired a criminal to throw acid in his face.
- Baxter asked if he knew who it was—he said he thought so but couldn't prove it in court.
- Asked if he felt terrible resentment, he said "I did for years, but it dawned on me that I was doing myself the real injury. I forgave this man and I've actually done some favors for him in recent years."  
(Wendell Winkler, Heart Disease and Their Cure p.7)

**"The moment I start hating a man, I become his slave. He even controls my thoughts. I can't escape his tyrannical grasp on my mind. When the waiter serves me steak, it might as well be stale bread and water. The man I hate will not permit me to enjoy it." (S. I. McMillan)**

### B. JESUS IS THE GREAT PHYSICIAN...

1. HE CAN HEAL, AND FORGIVE, AND SET YOU FREE!

*"No one can go back and make a brand new start. But anyone can start from now and make a brand new ending." Carl Bard*

### CONCLUSION:

1. **Romans 8:28 God can take what is broken and make it beautiful**
  - Like broken glass washed up on the coastal rocks  
over time becomes smooth and polished...
  - What was once broken can become beautiful again!
2. **This is Why Jesus went to the Cross For You and I!**
  - To Take Away the Pain and Guilt of our Past...
  - And to give us a brand new future!
3. **Jesus paid our debt in full at the cross—He died so that you could live**
